

East Lincoln On Stage - Theatre Production

Parent Meeting Highlights

Forms/Meals

At Tuesday's meeting we asked parents to sign the Theatre Production form and give it back to Mr. Franklin. We hate to ask for donations, but if possible you can sign up on Genius Meals to help feed the kids on days we stay late, or you can send money to Mr. Franklin if its not possible to make or buy anything and we can send someone to go get something to eat for them. Also, if you would like to order something but you can not pick it up we can have someone else pick it up. It is not required to do these things, but if you would like to you may.

Concessions

During our shows we sell snacks and drinks like chips, candy bars, soda, and water. It would be so helpful if you can bring any of this stuff in to help stock concessions because we do run out of them very quickly. These can be brought to Mr. Franklin at any time. Also, during some shows we may need parent volunteers to work concessions or to sell shirts, so if needed and if you are available please contact Mr. Franklin to can help us out.

Calendar

Students were given a calendar of our very important dates this year. You can also see this information on eastlincolnstage.org/calendar.

Parents

We like to keep parents notified of anything going on. If you would like, you can share your email with Mr. Franklin and he can add you to the list to get notifications, or use your number and we can put you in the Remind. If you are not getting notifications you can go to eastlincolnstage.org/parents and see any events, shows, that are going on.

Student Grades (5th Period)

Participation in this year's shows count toward a fifth period class. Every student must have 124 hours of in-class rehearsal to pass the class. There are also TBD off-book dates for our actors, which will be counted as a summative grade. They are aware of this and should be studying their lines, songs, and dances for the show.
